MINDSPRINT

Mindsprint's BTP Services:

Fastest way to futureproof your SAP investments and operations

Embrace innovation, reduce risk, and streamline your operations with Mindsprint's expert BTP implementation services

A Mindsprint Brochure

Ready to transform your SAP landscape?

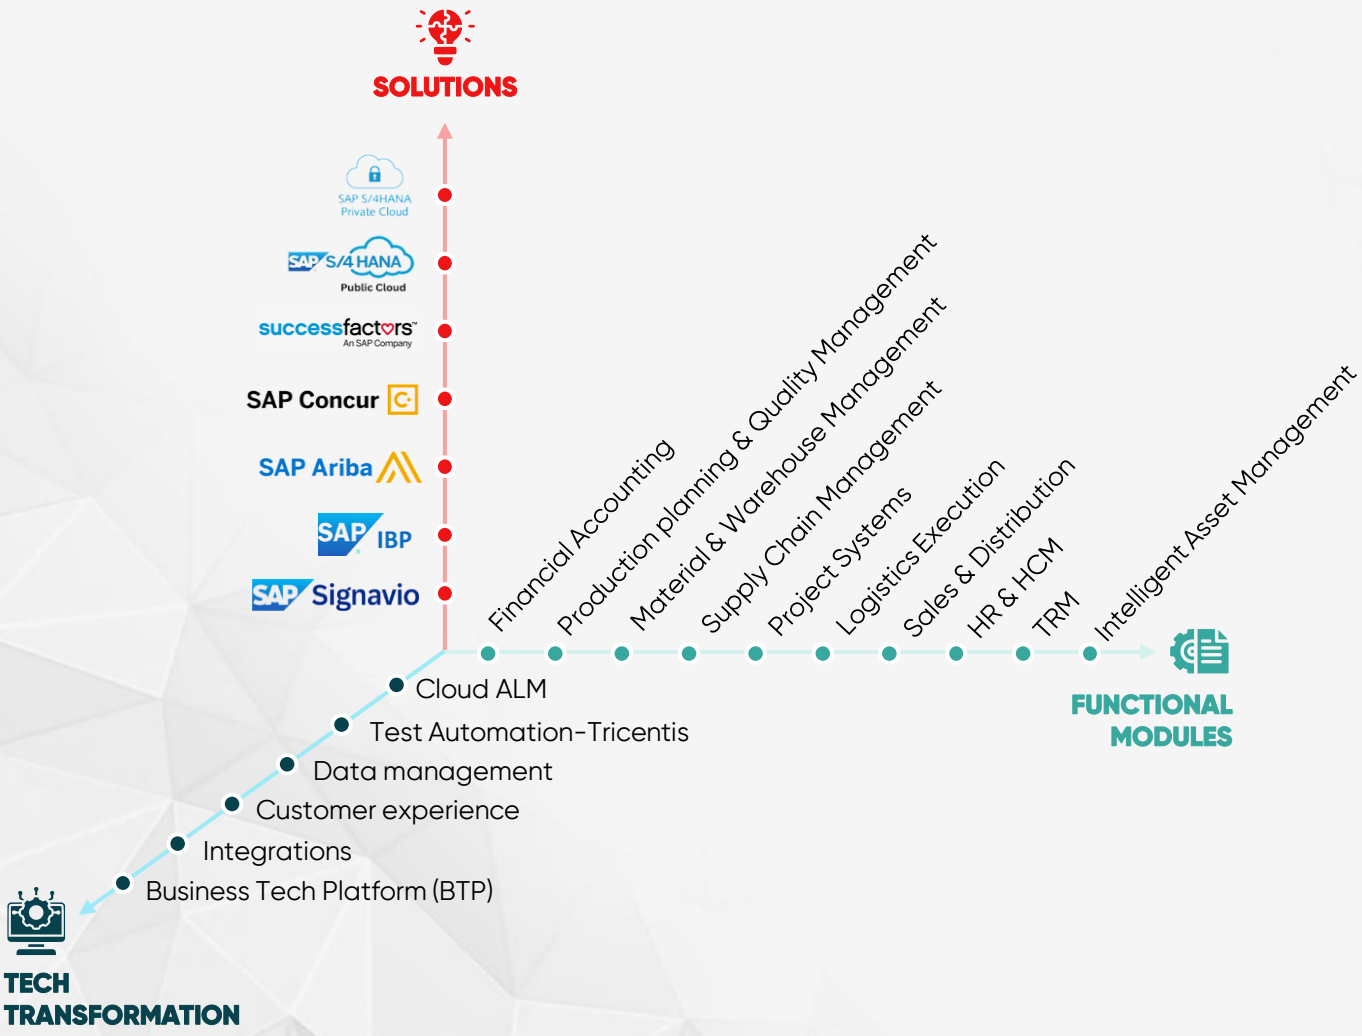
Mindsprint's BTP solutions empower your business to innovate faster and reimagine your operations. From AI innovations and seamless integrations to advanced analytics, complex application migrations, user experience enhancements, automations, application development, and building your own SAP Customer Center of Expertise (CCoE), we're your partner in leveraging SAP Business Technology Platform (BTP) to achieve next-generation business transformation.

The Mindsprint Advantage for SAP BTP

Driving innovation with strong SAP ecosystem partnerships

Proven business success through adherence to SAP's recommended best practices and standards in architecture, security, and development methodologies when crafting solutions with SAP BTP

Expert-driven, cutting-edge BTP solutions tailored for you



Key Capabilities

- **Next-Gen Cloud Services:** Unlock the potential of AI, GenAI, and intelligent automation to drive digital innovation.
- **SAP Clean Core:** Ensure seamless upgrades and minimal customizations while enhancing system stability.
- **Human-Centered UX & Applications:** Build intuitive, role-based experiences that drive productivity and efficiency
- **Democratize Development with Low-Code/No-Code Tools:** Empower business users and developers with faster application creation and automation capabilities.
- **Advanced Data Management & Analytics:** Leverage SAP HANA Cloud, AI-driven insights, and real-time analytics to optimize business operations.
- **Flexibility:** Developers can choose the optimal runtime—Cloud Foundry, Kyma, or ABAP—supporting various languages and frameworks for diverse application development.

Business Outcomes

BUILD SCALABLE & FUTURE-PROOF SOLUTIONS

Deploy applications with seamless scalability, whether on cloud, hybrid, or on-premises environments.

ENABLE FASTER TIME-TO-VALUE

Achieve rapid implementation and accelerate innovation cycles with pre-built capabilities & automation tools.

SEAMLESSLY INTEGRATE ACROSS SAP & NON-SAP ECOSYSTEMS

Enhance data consistency, automation, and streamlined workflows with SAP BTP's integration suite

GAIN ROBUST SECURITY & COMPLIANCE

Ensure end-to-end data protection, governance, and adherence to industry standards with SAP's security framework.

ACHIEVE COST EFFICIENCY & HIGH ROI

Reduce total cost of ownership (TCO) by minimizing customization efforts & maximizing automation.

Value Proposition

Integration Capabilities

Ensure data consistency and streamline business processes with integration across SAP and third-party applications

Application Development and Extension

Innovate and adapt quickly by developing, extending, and customizing applications

Data Management and Analytics

Derive actionable insights with comprehensive data management and advanced analytics

Intelligent Technologies

Enhance decision-making by including AI, machine learning, and other intelligent technologies

Scalability and Flexibility

Scale your business with a flexible environment that supports on-premise, cloud and hybrid scenarios

Security and Compliance

Protect sensitive business data with robust security measures and compliance with industry standards

Faster Time-to-Value

Achieve faster implementation with pre-built capabilities and a unified environment

Cost Efficiency

Lower TCO and achieve a higher ROI by reducing the need for extensive customization and integration efforts

Mindsprint provides the foundation for building your own SAP CCoE

ABOUT MINDSPRINT

Mindsprint's purpose is to reimagine business with talent, technology, and insights-driven services. With a proven record of enabling global organizations in their business and technology transformation journey, Mindsprint is a leading provider of purpose-built, industry-first digital solutions and services.

As an SAP Gold Partner and customer, Mindsprint offers a comprehensive range of SAP transformation services, including consulting, implementation, Partner Managed Cloud (PMC), and managed services. Leveraging a 360-degree relationship with SAP, we deliver accelerators and pre-configured solutions to empower customers in their RISE and GROW journeys. Through our SAP Business AI services, we help organizations automate and optimize their business processes and improve customer experience.

Our expertise spans AI & Data Analytics, Cloud-Native Development, Generative AI, SAP Transformation, Business Process Automation, Cybersecurity, and Product Engineering. Whether streamlining supply chains, enhancing customer experiences, or enabling smarter decision-making, we deliver impactful, industry-first digital solutions.

Headquartered in Singapore, with offices in India (Chennai & Bengaluru), the U.S., Australia and the U.K., Mindsprint is proud to be a Great Place to Work Certified™ company, fostering a culture of innovation and collaboration.
